MORE INFORMATION

College Credit Plus is open to college-ready students in grades 7-12. Funded by state education dollars, CCP can help students earn college and high school credits at the same time by allowing students to take college courses from community colleges or universities. This is a great, cost-free way to get a head start on college.

UNDERSTANDING YOUR PSAT SCOREs

Shekinah students who took the PSAT received their printed score reports recently. If students provided a mobile number during exam setup, they can easily view their scores on their phone with BigFuture School. The mobile app is part of the SAT® Suite and provides secure access. For help in interpreting the results, click on the link below for a short video to help you understand your PSAT scores.

New Dates Added Weekly!

The next step after completion is to sign up for a consultation with certified consultants, Arnold and Linda Shetler. At least one parent should be part of the meeting which will take an hour or more of your time. This is an opportunity to learn how your personality, skills, abilities, interests and values fit together for God's design and purpose for your life. Graduates who took the assessment and never signed up for a meeting are welcome to sign up below for a consultation to get Career Direct Assessment results. **In addition to the personal life-long benefits the consultation provides you, we use the results when we write letters of recommendation for scholarships.**

HONORS GRADUATION

Build a Better Future!

High school seniors are eligible to apply for one of five $10,000 scholarships to be awarded this year to students who are actively working to make a difference in their communities. Last year there were fewer than 50 applicants, so this is an underutilized opportunity. The top recipient will receive an additional $5,000 grant to continue funding their project. **Annual Graduation Scholarship**
